Why choose Nexora Academy Skill development Center?

Nexora Academy's Skill Development Center is an international frontrunner in technical training across diverse industries. Our customizable multi-day courses are designed to meet a wide range of client requirements. Annually, thousands of professionals in engineering, healthcare & management are trained with industry-specific certifications. With professional training programs and seasoned instructors, we offer affordable pathways for students. As a leading training center, Nexora Academy enables students to access innovative educational avenues, accelerating learning and fostering qualifications enabled to join the competitive workforce across industries.

Our Perspective

There exists a fundamental disparity between college education and industry demands. Therefore, we've initiated carefully curated skill development training courses at Nexora Academy. Our aim is to support not only our fresh recruits but also individuals aiming to connect theoretical knowledge with practical application in the workplace. Students have the flexibility to tailor their learning journey to their preferences, allowing us to make significant strides in this direction over the last decade.

Nexora Academy's Core Mission & Objectives

- We offer 100% live classes by industry experts
- Choose between offline or Hybrid mode of delivery
- Get recruited by top industries for internships or fresh hires
- No career break while pursuing the course
- Industry-aligned courses for freshers entering the workforce
- Collaboration with 100+ hiring partners in India and abroad
- Globally recognized certifications for international reach
- Provides support for university admissions overseas.

CERTIFICATE COURSES

ENGINEERING

OIL AND GAS RIG OPERATIONS & QA/QC	6 MONTHS	PLUS TWO & ABOVE
ELECTRICAL CONSTRUCTION MANAGEMENT	6 MONTHS	DIPLOMA /B.TECH
CIVIL PROJECT MANAGEMENT	6 MONTHS	DIPLOMA /B.TECH
MEP IN BUILDING CONSTRUCTION	6 MONTHS	DIPLOMA /B.TECH
FIRE AND SAFETY	6 MONTHS	PLUS TWO & ABOVE
AUTOMOTIVE ELECTRIC VECHICLE DESIGNING	6 MONTHS	DIPLOMA /B.TECH
MECHATRONICS & AUTOMATION	6 MONTHS	DEGREE / DIPLOMA
INDUSTRIAL AUTOMATION TECHNOLOGIES	6 MONTHS	DEGREE / DIPLOMA
FACTORY AUTOMATION TECHNOLOGIES	6 MONTHS	DEGREE / DIPLOMA
EMBEDDED SYSTEM	6 MONTHS	DEGREE / DIPLOMA

INFORMATION TECHNOLOGY

PYTHON FULL STACK	6 MONTHS	DEGREE / DIPLOMA
MACHINE LEARNING	6 MONTHS	DEGREE / DIPLOMA
DEEP LEARNING	6 MONTHS	DEGREE / DIPLOMA
ARTIFICIAL INTELLIGENCE	6 MONTHS	DEGREE / DIPLOMA
CYBER SECURITY	6 MONTHS	DEGREE / DIPLOMA

HEALTH CARE

HOSPITAL ADMINISTRATION	6 MONTHS	DEGREE / DIPLOMA
FOOD SAFETY & QUALITY MANAGEMENT	6 MONTHS	DEGREE / DIPLOMA
BIOMEDICAL INSTRUMENTATION	6 MONTHS	DEGREE / DIPLOMA

MANAGEMENT

LOGISTICS & SUPPLY CHAIN MANAGEMENT	6 MONTHS	DEGREE / DIPLOMA
GLOBAL ACCOUNTING AND TAXATION WITH SAP	6 MONTHS	DEGREE / DIPLOMA
HUMAN RESOURCE MANAGEMENT	6 MONTHS	DEGREE / DIPLOMA

PROFESSIONAL SKILL COURSES

LOGISTICS OPERATIONS AND SUPPLY CHAIN MANAGEMENT	12 MONTHS	ANY UG DEGREE
HEALTH CARE MANAGEMENT & ADMINISTRATION	12 MONTHS	ANY UG DEGREE
OIL AND GAS RIG OPERATIONS & IN-SERVICE INSPECTION	12 MONTHS	ANY UG DEGREE
OIL AND GAS WITH FIRE AND SAFETY	12 MONTHS	ANY UG DEGREE
HUMAN RESOURCE MANAGEMENT & INDUSTRIAL RELATIONS	12 MONTHS	ANY UG DEGREE
FIRE AND SAFETY	12 MONTHS	PLUS TWO & ABOVE
HEALTH SAFETY ENVIRONMENT	4 MONTHS	ANY UG DEGREE

ADVANCED PROFESSIONAL SKILL COURSES

INTERNATIONAL LOGISTICS WITH MARITIME	18 MONTHS	ANY UG DEGREE

Summer Internships for SBTE & KTU Diploma / Engineering Students

(Promotes extracurricular activities through activity points and enhanced industrial exposure)

Internships hosts multiple benefits for students. They not only provide an opportunity to explore their chosen career path but also address skill gaps through hands-on experience, allowing them to apply theoretical knowledge gained in their academic programs. While coursework provides the theoretical foundation, internships enhance practical skills, preparing individuals for the nuances of working in an office environment. Internship opportunities are available at various academic levels, including undergraduate, graduate, and sometimes postgraduate levels. The nature of practicum training, whether paid or unpaid, varies based on the policies of the host companies

Internship benefits

(Hands-on practical training experience)

The primary advantage of engaging in an internship is the seamless integration of classroom learning with real-world experiences. Internships serve as a testing ground for applying theoretical concepts and honing specific job-related skills in a professional setting. The hands-on approach involved in an internship develops the opportunity to uncover new insights, follow protocols and acclimate to office dynamics while exploring the long-term scope of your chosen career path.

Certification Benefits

Technical Internship Training Certification (TITC) FROM ENGINEERING & INFRASTRUCTURE

IIRDC Government Authorized Assessment Agency Certification with proper life time validity data base updated in Veriport (Based on proper documentation and request)

Nexora Engineering and infrastructure INTERNSHIP Certificate Valid for Lifetime
EWE BACKSPACE RESEARCH AND INNOVATION PVT LTD Certificate For Lifetime

Duration : 5 days / 15 days / 28 days / based on requirements and site availability
Eligibility : Pursuing students can apply the benefits of Internship
